Subject: PILT 2016 -- Reprogrammed

Hi everyone. The news is good.

DOE-RL notified our three Hanford area treasurers yesterday that the long saga of the 2016 PILT has been resolved. All approvals in DC have been granted. DOE-HQ is moving the money, and that will allow RL to transact payments within the next few days to make PILT 2016 whole for all three counties. I also received a phone call from Senator Murray's point on this, Jo Eckert, with the news.

I will provide notification to our recipient stakeholders.

We need to begin discussing 2017 and the letter received from DOE last week. I will get back to you on that next week when I am back from vacation.

Have a good weekend.
Adam
