

Academy PREVIEW

How experienced assessment professionals actually think.

Search the Codex — e.g. appeal, ratio, exemption, income...

Ask Academy →

EXEMPTIONS

CORE

Senior Exemption Audit

Decide which senior/disabled exemptions are valid — and defend the calls.

APPEALS

CORE

BOE Preparation

Walk into the Board of Equalization with a defense the board can adopt.

QUALITY

ADVANCED

Ratio Study

Measure whether your roll is accurate AND uniform — and read what it's telling you.

DATA

CORE

Sales Validation

Keep only arm's-length sales — everything downstream depends on it.

VALUATION

CORE

New Construction Review

Capture new value on the right date, at the right percent complete.

VALUATION

ADVANCED

Commercial Income Analysis

Value income property on what it earns — and know when the market disagrees.

VALUATION

CORE

Cost Approach Review

Trust the cost approach only where it's actually reliable.

STRATEGY

ADVANCED

Growth Corridor Analysis

Find the neighborhoods pulling your roll out of balance — before they do.

PRACTICE

FOUNDATIONAL

AI for Assessors

Use AI to widen your judgment, not replace it — and stay defensible.

LEADERSHIP

CORE

Commissioner Presentation Prep

Turn the roll into decisions a commissioner can act on in five minutes.

Academy • 10 founding Codex entries. Methodology is real; specific figures are illustrative. Built for the TerraFusion Intelligence Preview.
