Subject: PILT 2019

Commissioners,

I have been informed by the Treasurer that as of October 31 we have received 100% remittance of 2019 PILT that was billed to USDOE-RL. This is the first time since 2014 that we have received full payment, on-time. Thank you to the Assessor's office in particular and to everyone for their patience and persistence on this matter. It may not be resolved forever, but it's resolved for now.

I am also told that Franklin County did *not* receive full payment. They received a letter. A letter asking them to lower the amount of their bill [like Benton County did]. To my knowledge, Franklin County did not adopt the "Open Space / Current Use" methodology for assessment that we did.

All for now.

Adam
